

§ 3430.3

Private research organization means any non-governmental corporation, partnership, proprietorship, trust, or other organization.

Private sector means all non-public entities, including for-profit and non-profit commercial and non-commercial entities, and including private or independent educational associations.

Program announcement (PA) means a detailed description of the RFA without the associated application package(s). NIFA will not solicit or accept applications in response to a PA.

Program Officer means a NIFA individual (often referred to as a National Program Leader) who is responsible for the technical oversight of the award on behalf of the Department.

Project means the particular activity within the scope of the program supported by an award.

Project Director or *PD* means the single individual designated by the awardee in the application and approved by the Authorized Departmental Officer who is responsible for the direction and management of the project, also known as a Principal Investigator (PI) for research activities.

Project period means the total length of time, as stated in the award document and modifications thereto, if any, during which Federal sponsorship begins and ends.

Research means any systematic study directed toward new or fuller knowledge and understanding of the subject studied.

Scientific peer review means an evaluation of the technical quality of a proposed project and its relevance to regional or national goals, performed by experts with the scientific knowledge and technical skills to conduct the proposed research work.

Secretary means the Secretary of Agriculture and any other officer or employee of the Department to whom the authority involved is delegated.

Under Secretary means the Under Secretary for Research, Education, and Economics.

United States means the several States, the District of Columbia, and the insular areas.

Units of State government means all State institutions, including the formal divisions of State government (*i.e.*,

7 CFR Ch. XXXIV (1–1–16 Edition)

the official State agencies such as departments of transportation and education), local government agencies (*e.g.*, a county human services office), and including State educational institutions (*e.g.*, public colleges and universities).

[74 FR 45740, Sept. 4, 2009, as amended at 76 FR 4813, Jan. 27, 2011; 79 FR 76000, Dec. 19, 2014]

§ 3430.3 Deviations.

Any request by the applicant or awardee for a waiver of or deviation from any provision of this part shall be submitted to the ADO identified in the agency specific requirements. NIFA shall review the request and notify the applicant/awardee, within 30 calendar days from the date of receipt of the deviation request, whether the request to deviate has been approved. If the deviation request is still under consideration at the end of 30 calendar days, NIFA shall inform the applicant/awardee in writing of the date when the applicant/awardee may expect the decision.

§ 3430.4 Other Federal statutes and regulations that apply.

(a) The Office of Management and Budget (“OMB”) issued guidance on Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards at 2 CFR part 200 on December 26, 2013. In 2 CFR 400.1, the Department adopted OMB’s guidance in subparts A through F of 2 CFR part 200, as supplemented by 2 CFR part 400, as the Department’s policies and procedures for uniform administrative requirements, cost principles, and audit requirements for federal awards. As a result, this regulation contains references to 2 CFR part 200 as it has regulatory effect for the Department’s programs and activities.”

(b) Several other Federal statutes and/or regulations apply to grant proposals considered for review or to research project grants awarded under this part. These include but are not limited to:

2 CFR part 200—Uniform Administrative Requirements, Cost Principles, and Audit Requirements For Federal Awards.
